

TERM 2

FROM THE HEADMASTER

Dear Parents, Guardians, Learners, Old Boys and the Selborne College Community

As Term 2 comes to a close, I write to you with immense pride in our young men. This has been a term of intense activity – of meaningful growth, challenges, and moments of true character building.

There have been plenty of highs - achievements in the classroom, success in our Cultural Department, brave performances on the sports field, and, most importantly, boys showing what it means to be honourable young men. But there have also been lows – disappointments, frustrations, and criticism, some of it harsh and unfair. And yet, through it all, our boys have shown determination and heart.

Our role as educators, mentors, and parents is not simply to applaud victories – but to build resilience, encourage values, and nurture self-belief. 'Confidence is not built through praise – it is built through pressure'.

We have navigated a particularly high-pressure term. The results have not always gone our way, and in some corners, especially on social media. The public's reaction has been loud, even derogatory. While passionate debate is part of sport, I want to be clear: our first responsibility is to the well-being of our Selbornians. These are still boys, still learning, still growing, and no scoreboard can ever define the entirety of who they are becoming.

Therefore, to our Old Boys and supporters, I say this: we value your passion, your memories, and your legacy. But please remember your comments matter. Your encouragement matters more. These boys are not yesterday's champions or tomorrow's heroes. They are today's learners - trying, failing, learning, and becoming. They deserve our protection, not our expectations.

As we pause for our mid-year holiday, thank you to each parent, teacher, coach, and mentor who continue to believe in the process and walk the road with our boys. They are becoming young leaders the world needs more of.

STAFF

We sadly bid farewell to a number of staff during the term. Mr Darryl Ochse emigrated to New Zealand after a lengthy and successful career at Selborne College. We wish him and his family all the best for this new adventure.

Mrs Lancia Cox relocated to the Western Cape with her family to support her husband's new business venture. We are grateful for her service to Norton House.

Mr Neill Erasmus received fantastic news this term! He was appointed as the Headmaster of Crewe Primary School. This is an opportunity that most educators aspire towards. We thank Mr Erasmus for his dedicated service to Selborne College, since 2008, his organizational and leadership skills as an Educator, Coach and specifically as the Deputy Headmaster.

TERM 2 | 2025/06/27

FROM THE HEADMASTER

At the start of Term 2 we welcomed Mrs Dee Brill to assist, in our History Department, as an experienced and highly efficient educator. Mrs Brill ends her temporary contract with us at the end of the term and we thank her most sincerely for her positive demeanour and her calm and friendly way in which she faced her responsibilities. We welcomed Mrs Janine Geldenhuys to our team as the new Housekeeping Hostel Matron at Norton House. She has embraced this key role with remarkable ease.

Mr Wilbert Gumunyu joined the Physical Science Department at the beginning of May. He joins us as a highly skilled and experienced Physical Science Educator with a BSc Master's Degree and management experience in education.

Most recently we welcomed Ms Anneri Stander in the English Department. With her experience in this subject, we have no doubt that her input will be immeasurable.

We were deeply saddened by the passing of Mr. Alan Parsons this term. Alan was a deeply valued member of the Selborne community, serving with dedication as the Executive Director of the OSA. His exceptional administrative skills, commitment to maintaining the school's webpage, involvement in rugby coaching, were just a few of the many ways he contributed. Alan was a constant source of support to our staff and the school as a whole. His presence, kindness, and unwavering dedication will be sorely missed.

CULTURAL

During the course of this busy term a number of learners participated in the Music Eisteddfod. No fewer than 3 Bronze, 6 Silver, 13 Gold and 2 Medals were achieved: Corné Strydom for Best Senior Instrumentalist (Drums) and to the Military Band for Best Band / Orchestra.

The Afrikaans Department celebrated 100 years of the language during Afrikaans Week, hosting an Assembly, a debate and an enjoyable Sokkiejol.

Ronald Theron achieved an exceptional accolade as winner of the National Proscenium Drama Competition. He competed against 600 learners nationwide and as a reward has been cast in a Professional Production. Outstanding!

The Interact Club held a successful Easter Egg Drive, Copper Drive and a collection of warm clothing for Jersey Week. Thanks to our community for your support with these projects.

Clarendon High School recently staged a wonderful production of Beauty and the Beast. Congratulations to Aluve Melane, Hephzibah Qutywa, Mlevi Mabula and Liyabukwa Zondi for the incredible parts they played in this production, with some proudly performing in lead roles.

ACADEMICS

After the recent examinations, a number of grades and learners achieved pleasing results, and their efforts are to be commended. However, I am genuinely concerned about the overall performance of the Grade 10 learners, and especially the Grade 11 class. It is particularly concerning that a number of learners acknowledged they did not study sufficiently for these assessments. This raises serious concerns about their approach to academic responsibility and the importance they place on their own progress.

TERM 2 | 2025/06/27

FROM THE HEADMASTER

Please be advised that extra lessons in English, Afrikaans and Mathematics are available to all Grades on a weekly basis. Please refer to the Quarterly Diary for more information. These additional classes will assist those seeking intervention in areas they are struggling in or for those who are looking for those extra marks for distinctions. There are no costs for these extra lessons.

SPORT

Over the past term, a number of sporting events and derby days took place, showcasing the dedication and spirit of our teams. Sincere thanks to all the players and staff for their unwavering commitment and determination throughout. May the rest of the winter season continue to be enjoyable, successful and meet your team goals.

HOLIDAY ACTIVITIES

A number of sportsmen have been selected to represent their province at the upcoming Provincial weeks.

2 - Buffalo City Junior Surfing team

18 - Provincial Hockey Teams

21 - Provincial Rugby Teams

8 - Provincial Squash Teams

The Drama Club will be attending the Reza De Wet Competition in Bloemfontein.

The Soccer Club is hosting the Selborne Soccer Tournament and we wish Ms Kelepu and the players much success.

The Golf team will be competing in the Cape Schools Tournament

Selborne College will be hosting the U13 Craven Week Rugby tournament from Monday, 30 June to Friday, 4 July 2025.

We invite you to visit our campus to support the event and to see the young talent that will be on show.

IMPORTANT DATES

On Wednesday, **23 July 2025**, we will host an *Examination Report Back Evening*. All staff will be present to discuss any concerns you may have following the release of the June examination results. Parents of learners who have underperformed will be contacted directly, as your presence is vital in supporting your son's academic progress. We strongly encourage all parents to attend this important evening. Your involvement is key in identifying challenges and working together to help your son move forward successfully.

**TERM 2 | 2025/06/27**

FROM THE HEADMASTER

Term 3 will be a busy term as all preparations need to be finalized for our Prize Giving and Founders' Day celebrations. This is as a result of the NSC examinations, for the Grade 12 class, commencing in the second week of the Term 4. The timetable for these exams is available on the ECDOE website. Therefore, Prize Giving will take place on Monday, 13 October 2025; Poppy Parade on Wednesday, 15 October; the Sounds of Selborne Music Concert on Wednesday, 15 October and Thursday, 16 October; Founders' Day will now be held on Friday, 17 October 2025. OSA Spit Braai Evening venue is still to be confirmed.

As we bring this busy term to a close, I would like to extend my heartfelt thanks to the Staff and all Selborne families for your continued support.

I wish you all a well-deserved, restful holiday. May it be a time of relaxation with family and friends.

We look forward to welcoming everyone back for the start of Term 3.

Thank you

MR ANDREW DEWAR
HEADMASTER
