

## TERM 3

## FROM THE HEADMASTER

Dear Parents, Guardians and Old Boys

As we approach the end of Term 3, allow me to reflect on what has been an incredibly busy term indeed. Selborne College appreciates our parents and learners for embracing every opportunity available to immerse themselves in the life of our school and enjoy the full holistic Selborne experience.

We remain dedicated to ensuring our staff have the advantage of being well-trained in all aspects of educating our learners, both in the classroom and on the sports fields. Our commitment to ongoing staff development reflects our pursuit of excellence in every facet of education.

**HUMAN RESOURCES**

At the beginning of Term 3, we welcomed Mrs. Jacqui Potgieter to the English Department. She has made a significant impact with her wealth of experience, in a short space of time.

Additionally, Mrs Hartmann took Maternity leave at the start of the term following the arrival of her daughter, Maddison, baby sister to proud big sister, Morgan.

**PARENT FUNCTIONS**

This term, we hosted several parent evenings, including the Exam Feedback meeting for all grades, the Grade 11 Parents Meeting, and the Grade 9 Subject Choice Meeting. I trust that those who attended the various meetings found great value in the face-to-face interactions with your son's subject teachers.

During the Grade 9 evening, representatives from the University of Pretoria provided guidance to parents and learners regarding subject choices as the Grade 9 learners selected their subjects for Grade 10 next year. At the Grade 11 evening, learners were informed about the significance of their Grade 11 results in the application process for Tertiary Institution study programmes

**GOVERNING BODY**

The SGB and SMT have worked diligently to finalise the Strategic Plan for 2024-2030. A heartfelt thank you to everyone involved for the time they have invested in ensuring that the Strategic plan is both achievable and beneficial for all at Selborne College.

We are pleased to announce that the Solar Panel System is now 100% complete and fully operational. We look forward to enjoying the long-term benefits of a reliable and efficient backup power supply, enabling us to operate effectively off the grid.

**NORTON HOUSE**

Our Hostel, under the leadership of Superintendent Mr. Miles, is experiencing steady growth. We encourage parents seeking accommodation for their sons to consider our Hostel, as we now offer both weekly and termly boarding options.

## TERM 3

## FROM THE HEADMASTER

**EXTRA CURRICULAR**

On the sporting front, we had a full schedule of fixtures and Derby Days. Selborne College is extremely proud of our Selbornians who not only remain committed to representing their school to the best of their ability but who additionally show true sportsmanship both on and off the field.

Our traditional Endurance Hike was enjoyed by all who participated in our annual event. We are grateful to the sponsors of the respective water points and to our Mother's Association who assisted in ensuring the day was a success.

The Big Bash Cricket Tournament has become a major fixture on the Cricket Club calendar and was enjoyed by all who participated. The atmosphere and camaraderie as well as competitive but fun spirit was truly refreshing. The auction was once again well supported. We extend our congratulations to Exclusively Foods / Euvos Blitz who are the 2024 Big Bash Champions. Thank you to all the Team sponsors for backing our boys and ensuring this event is a success.

The Athletics Department participated in both the Triangular and Hirsch Shield this Term. These traditional athletics meetings are always competitive and enjoyable. We thank Dale College and Queen's College for hosting both of these events. Selborne College was placed second in both the Triangular and the Hirsch Shield (winning the Henry Niit Shield as runners up). The U16 Athletes were placed 3rd in the SF Edwards and the U14 team were placed 6th in the Sam Gunn Shield.

Selborne College hosted the SA Biathle Champs over the long weekend 08 – 10 August 2024. It is always an excellent opportunity to host a national event of this caliber. We thank all parents and staff who assisted in ensuring this event was memorable and a success.

The Drama Department scooped a number of awards at the recently held ATKV from the 06th – 10th August 2024. We are proud of their commitment and achievements.

**COMMUNITY**

Selbornians have a genuine concern for those less fortunate, and I am always inspired by how the boys step up to support collections and donations. Thank you to everyone who regularly participates in our Thursday "Love Lunch Box" drive, Jersey Week, and other initiatives for the NPO's we support. The St Bernard's Hospice Copper Drive received great support, and the proceeds from our civvies day were donated to the SPCA. Let us continue to be humble and kind, showing care and compassion to those in need.

## TERM 3

## FROM THE HEADMASTER

**ACADEMICS**

We are pleased with the outcome of the Term 3 Academic results. However, there are learners who have underperformed or have not achieved their full potential. We encourage these learners to take the opportunity of support classes that are offered on campus in subjects like Mathematics and English.

**2025 Exam and Test Concession Applications**

If your son requires an Exam/Test Concession for 2024, all Educational reports and required documents (by an Educational Psychologist) are to be submitted (in a sealed envelope) to Mrs Dewar for attention Mr Grant by mid November 2024. These concessions have to be processed and submitted to the Education Department at the start of the year. Should you require any additional information, kindly email [media@selborne.co.za](mailto:media@selborne.co.za) for assistance.

**OLD SELBORNIAN ASSOCIATION**

A delegation travelled to the UK from the 18th to the 22nd August 2024 to visit prominent Old Selbornians and discuss possible funding ventures. It is always uplifting to connect with Old Boys around the world. During our visit, we shared our vision and mission statements from our Strategic Plan, as well as updates on activities at Selborne College. We also introduced the concept of a High Performance Centre, and we are hopeful that we can secure funding to make this project a reality.

Additionally, the annual OSA Golf Day took place on 6th September, 2024. Thank you to all the sponsors, Old Boys, and parents who participated and helped make it a success.

**SECURITY**

Campus Security is a priority at Selborne College. Due to the recent rise in crime in the greater East London area we are tightening security on campus. We encourage parents to please adhere to the security measures we have in place by signing the register at the gate and reporting to the General Office when you visit the campus. This is to ensure the safety of our learners and staff and we appreciate your cooperation in this regard.

**UPCOMING EVENTS**

A number of events will take place during the September holiday. Selborne College will be hosting the Sterrenberg/Milton Gates U15 Polo Tournament while many of our Teams will travel across the country to participate in Tournaments and Festivals. These results will be published next Term. We wish all Selbornians and their families an enjoyable experience and safe travels to and from these fixtures.

***Enclosed in the report pack, you will find letters informing families about the Major Functions scheduled for next term, as well as a letter from the Mother's Committee and a reply slip. We encourage our mothers to get involved and help ensure the success of these special occasions.***

### BUFFALO CITY EISTEDDFOD (ELFEST)

The Selborne College Dramatic Society took part in the Drama section of the Buffalo City Eisteddfod (Elfest) at the end of August and received a range of awards and medals. Medals are awarded to participants who achieve a triple gold (95% and above).

### ATKV TIENERTONEEL – GQEBERHA (7 – 10 AUGUST)

The Selborne College Dramatic Society took part in the national ATKV Tienertoneel with four productions this year – the most entries in the history of the society, of which one was entered in the learner-only category, written and directed by learners without the help of teachers. The productions were:

- **'n Vlam Sonder Einde** – written & directed by Ronald Theron & Hephzibah Qutywa
- **Aandmaal** – written & directed by Mr Byron Nel
- **Tweeling** – written & directed by Ms Jo Stemmet
- **Steriel** - written by Wim Vorster and directed by Ms Jo Stemmet

The level of this national competition is extremely high, as productions compete against more than 150 other productions in different provinces. Awards are made according to the discretion of the adjudicators, who are professional theatre, film and television practitioners. Medals are awarded when a learner is selected as the winner in the province.
