

TERM 4

FROM THE HEADMASTER

Dear Parents, Guardians, Learners, Old Boys and the Selborne College Community

As we reach the end of another memorable year at Selborne College, we reflect with pride on the achievements, growth and spirit shown by our learners and staff throughout 2025. It has been a year marked by hard work, resilience and moments of success, both in and beyond the classroom.

We extend our heartfelt congratulations to all our learners for finishing the year so strongly. Your determination, character and commitment have been truly inspiring. To our Matric Class of 2025, we share in your excitement and anticipation as you await your final results. The dedication you have demonstrated throughout your journey at Selborne College is commendable, and we look forward to celebrating your achievements as you take the next steps in 2026. The approximate date of the announcement of Matric results is *Thursday, 15 January 2026* and collection will be on *Friday, 16 January 2026 between 12h00 – 14h00* in the Emslie Centre (kindly note that this arrangement is subject to change).

To the staff, parents, and boys of Selborne College, thank you for your continued dedication and support. The contribution of committees, parent bodies and parents, particularly those assisting with the tuck shop, kiosks and school events – is integral to our success as a school. Your support at Derby Days, cultural events, and ongoing interest in the wellbeing of Selborne College is truly special.

At our 2025 Prize Giving Ceremony, I referred back to a theme from the 2024 Annual Report: *“What makes a modern school?”* This included reflections on facilities, upgrades, the effective use of technology, innovative teaching methodologies, and the preparation of learners for Fourth Industrial Revolution skills.

This year I referred to *“What makes a modern Learner?”* Central to this vision are self-discipline and accountability, collaborative skills such as teamwork, strong core values, curiosity, critical thinking, and the ability to adapt to change with flexibility. Above all, however, resilience remains essential.

I firmly believe that resilience is one of the defining characteristics of a Selbornian. This year has challenged everyone on campus, and I am proud to report that our learners have emerged stronger than ever.

HIGHLIGHTS

Term 4 has been an exceptionally busy and event-filled period at Selborne College. Despite the demanding schedule, our school community came together to make it a memorable and successful term.

The term commenced on **13 October 2025** with our **Prize Giving Ceremony**, a fitting celebration of the outstanding achievements of our learners. We were honoured to welcome our Guest of Honour, **Mr Lindsay Weyer**, Springbok Rugby Analyst with over 100 caps, who delivered a powerful and inspiring message.

TERM 4

FROM THE HEADMASTER

This was followed by **Founders' Week**, celebrated during the same week. The programme was filled with exciting activities and events that showcased the talent, pride, and spirit of our learners. Founders' Day is always a deeply emotional and meaningful occasion, and this year was no exception. We were privileged to welcome Mr **Frank Rautenbach and his wife**, Leigh as our Guests of Honour. Mr Rautenbach spoke with sincerity and depth at both the Ceremony of the Key and the Thanksgiving Service.

Those in attendance would agree that the achievements of our boys in 2025 have been phenomenal across all areas of school life. We remain committed to striving for excellence in all that we do.

VALEDICTORY SERVICE – CLASS OF 2025

The **Valedictory Service on 20 October 2025** marked an important milestone in the academic journey of the Matric Class of 2025. We extend our sincere thanks to the learners and their parents for being part of the Selborne family.

Our appreciation goes to **OSA President, Mr Chetty**, for attending as a special guest and for formally welcoming the Class of 2025 into the Old Selbornian Association. As Old Boys, they now form an integral part of generations of Selbornians who are encouraged to contribute to the school's legacy through mentorship, networking, fundraising, attending alumni events and reunions, and serving as lifelong ambassadors of Selborne College.

STAFF NEWS

- **Mrs G. Musgrave**: Congratulations to the Musgrave family on the birth of their daughter. We look forward to welcoming Mrs Musgrave back at the start of 2026.
- **Ascoreen (Oscar)**: Will be retiring at the end of 2025 due to illness, our thoughts and prayers are with her.

Our heartfelt condolences are extended to **Bullie** from the Tuck Shop on the recent passing of her sister and mother. To **Mrs Hodgkinson** on the passing of her mother-in-law and to **Mrs Botha** on the passing of her father. Our thoughts and sympathies are with them and their families during this difficult time.

As we bid farewell to the following staff members, we extend our heartfelt thanks for the time, energy, and passion they have invested in Selborne College. Each has contributed uniquely to the life of the school, and they leave behind a legacy of service and care. Your teaching, leadership and quiet generosity have shaped classrooms, teams and lives in ways that will be felt for years to come.

- **Mr James Alderman** (Class of 2010) re-joined us in 2021 and has been a highly valued member of the English Department and the coordinator of our Wrekin College exchange programme. His talent in the sporting arena, particularly with U14A Water Polo and U16A Rugby, has shaped many young sportsmen with his calm, insightful approach.

TERM 4

FROM THE HEADMASTER

- **Mr Jordan Blundell** (Class of 2017) joined the staff in 2022 and quickly became an integral part of the Music and Creative Arts Departments. His commitment to the Band, as well as his support with sound at countless events, made him indispensable. As a Squash coach, he brought enthusiasm to the court. He now embarks on a new path in Agriculture.
- **Mr Jano Boshoff** (Class of 2019) has been a committed and enthusiastic presence at Selborne College, contributing meaningfully to both his academic and rugby coaching responsibilities, and the broader life of the school. His positivity and willingness to get involved have left a warm mark on our community.
- **Mr Luke Ferreira** will be taking up a new teaching position in Gauteng. As a standout Life Sciences educator and Head of Natural Sciences, he has served with passion and professionalism. His involvement in Water Polo and Hockey, along with his dedicated guidance as a master at Norton House, has made a lasting impact on learners both in the classroom and beyond.
- **Mr Tyler Stellenberg** has served with professionalism and care, offering steady support to learners and colleagues alike. His dedication, both inside and outside the classroom, has strengthened the ethos of our school and will be remembered with gratitude.
- **Mr Taine Warren** (Class of 2019) joined Selborne College in 2020 as a Learnership, qualified and has served the Technology and Geography departments with dedication. His contributions to Water Polo, Rugby and later the Interact Club have enriched our school community, and his willingness to take initiative has been greatly appreciated as he now prepares to emigrate to Australia.

Though you leave our halls, the lessons, laughter and care you gave remain woven into Selborne College story – PALMA VIRTUTI!

NEW APPOINTMENTS

Looking ahead, we are pleased to welcome new staff members to Selborne College in 2026. They bring valuable expertise, fresh perspectives and a strong sense of purpose. We are confident that their contributions will further strengthen and enrich our school community as Selborne College continues to grow and evolve.

- **Deputy Headmaster** - Mr Declan McLaggan
- **Head of Department** - Mr Graeme Mountfort
- **New Staff**
 - Mr Justin Fourie – Head of Subject - Geography
 - Ms Chané Grobbelaar - CAT and Technology
 - Mrs Vini Robymon - Head of Subject - CAT
 - Mr Matthew Rusteberg - History
 - Mr Hugo Smit - Music
 - Mr Dauw Steyn - Afrikaans
- **Learnership** - Mr Kwakhanya Xuma - IsiXhosa

TERM 4

FROM THE HEADMASTER

HIGH PERFORMANCE CENTRE

To date, no significant donations have been received. As a result, available options are being carefully reassessed in consultation with the School's Trustees. A proposed R150 Debit Order Campaign has been initiated, and individual donors will be approached in an effort to broaden support. In addition, corporate funding opportunities linked to BBEEE compliance are currently being explored to ensure a sustainable and strategic funding model going forward.

HOLIDAY ACTIVITIES

The following activities have / will take place during the school holiday:

- Boat Race (in Port Alfred)
- Prefects' Camp
- Sport / Cultural Events (Debating, Cricket, Golf and Water Polo)
- International Squash Event in Malaysia
- World Biathle / Triathle / Laser Run Champs held in Mossel Bay

GENERAL FUNDRAISING

The **R150 Club** is a proposed fundraising initiative designed to generate additional income for bursaries and infrastructure development at Selborne College. This initiative offers parents and, in particular, Old Selbornians a meaningful opportunity to give back and invest in the future of the school in a sustainable way. Through collective support, the R150 Club has the potential to make a significant and lasting impact on Selborne College. For more information or to get involved, please contact **Mrs Hensberg at Foundation House**.

We are excited to announce the launch of the **Selborne College Color Run 2026**, which will take place on 21 March 2026. The 2026 event will raise funds in support of the Selborne College Rowing Club.

We encourage parents, Old Selbornians, learners, and the wider Selborne community to actively promote and support this event. By spreading the word and encouraging participation, we can make the 2026 Color Run even bigger and better than the highly successful 2025 event.

Your enthusiasm and involvement will play a vital role in ensuring the continued growth and success of Selborne College. We look forward to seeing the entire community come together for a day of color and school spirit..

TERM 4

FROM THE HEADMASTER

As the year draws to a close, we extend our gratitude to our parents, guardians, Old Boys, and the broader Selborne community for your unwavering support. Together, we continue to uphold the values and traditions that make Selborne College exceptional.

We wish all our families a restful holiday and a joyful festive season. May 2026 be a year of renewed purpose, connection, and achievement.

SHOOTING

REPRESENTING EASTERN CAPE JUNIORS AT THE SASCHA SHOOTING TEAM, EASTERN CAPE FITASC SHOOTING AND FITASC GRAND PRIX 2026

Owen Petersen represented the Eastern Cape Junior Sports Shooting Team at the South African Sport Shooting, Conservation and Hunting Association (SASCHA) Interprovincial, held in George in October 2025. He has shown exceptional dedication to Clay Target Shooting, representing the Eastern Cape Junior Shotgun Team with distinction. Gold medals were awarded in recognition of the team's success, with Owen achieving 1st Place and the best overall score. With this outstanding result, he has qualified for selection to the SASCHA National Junior Shotgun Team.

Owen also demonstrated his commitment to the sport by participating in the Eastern Cape FITASC Shooting and FITASC Grand Prix 2026, held from 1–2 November 2025, where he received gold medals in both events.

QUARTERLY AWARDS

DRAMA

ATKV TIENERTONEEL NATIONAL FINALS

Congratulations to the Selborne College Dramatic Society for their outstanding achievement! Their learner-only production JESAJA, written by Ronald Theron and directed by Ronald Theron and Abdul-Qadir Marais, was named national winner in the ATKV Tienertoneel learner-only category and was the only learner-only production to reach the National Finals at Cape Town's Baxter Theatre, placing among the Top 8 productions in South Africa, all directed by professionals. Each boy involved in this remarkable production receives a certificate of participation in the National Finals.

Sikhokele Kente, Kwande Mbande, Kwakhanya Sinam, Mvelo Ndleleni, Aluve Melane, Libubom'Elam Mjiwu, Sazi Silwana, Ernst Schutte, Liyabukwa Zondi, Liyema Dyantyi, Hephzibah Qutywa, Abdul-Qadir Marais and Ronald Theron

Certificates

At the prestigious ATKV Tienertoneel National Finals prize-giving ceremony, Hephzibah Qutywa was nominated for Best Stage Manager, placing him among the Top 3 in South Africa, while Ronald Theron was nominated for Best Actor in a Leading Role, placing him among the Top 5 in South Africa. In addition, Ronald was one of three actors to receive a special ATKV award, earning a position on the national agent role, which includes free representation to assist him in securing roles in television, film, and stage, as well as a full professional portfolio with ATKV.
