**TERM 3**

# FROM THE HEADMASTER

Dear Parents, Guardians, Learners, Old Boys and the Selborne College Community

As we bring Term 3 to a close, we reflect on a term that has been defined by commitment, perseverance and a strong sense of community. Term 2 reminded us to "***do what you can, with what you have, where you are***," Term 3 has shown us what can be achieved when those words are put into action.

The conclusion of our Winter Programme provided a fitting high point to the term. Across the sports fields, our boys have competed with determination, supported one another and represented Selborne with pride. While the results and achievements are important, we are equally proud of the character displayed along the way, the discipline to keep working, the resilience to respond to setbacks and the humility to celebrate the success of others.

Beyond sport, there has been much to celebrate at Selborne College. Our boys have continued to apply themselves in the classroom, on the stage, in the Hostel and in the many activities that make Selborne College the school we are proud of. There are also the quieter moments of kindness, courage and responsibility that may never make the headlines, but are just as important in shaping the young men we hope our boys will become.

We began the term with a visit from our Grade 1 little brothers from Selborne Primary. It was a morning filled with fun, brotherhood and shared Selborne pride. Through games, laughter and words of encouragement, our senior boys embraced the opportunity to inspire the next generation of Selbornians. It was a wonderful reminder that the Selborne brotherhood begins long before a boy puts on the College blazer, and that the values of friendship, respect and belonging are nurtured from an early age.

**STAFF**
At the start of Term 3, we said farewell to Mr Justin Sparg and Mr Jacques Vermaak.

Mr Sparg served his Alma Mater with distinction for just less than 20 years. During this time he made a significant contribution to the school, serving on the Senior Management Team and in various leadership roles, including Acting Head of Academics, Head of Accounting and Head of Tennis. We thank him for his years of dedicated service to Selborne College and, as he takes up a position at Stirling High School, we wish him every success in this new chapter of his career.

Mr Vermaak served in our Afrikaans Department for just less than 20 years and made a valued contribution to the Rugby and Cricket Clubs. He has relocated to Gqeberha, where he has taken up a teaching position, allowing him and his family to be closer to their extended family. We thank Mr Vermaak for his commitment to Selborne College and wish him and his family every happiness and success.

At the beginning of the term we welcomed:

**MRS LENKA STRYDOM**
Mrs Lenka Strydom is our new Biokineticist. She holds a BSc Honours in Biokinetics and a BA in Sport Science with Psychology. Since 2022, she has successfully managed her own biokinetics practice, gaining valuable experience in injury prevention and management, rehabilitation, movement preparation and lecturing. Her experience, expertise and passion for athlete wellness will be a valuable addition to our sporting programme, supporting the holistic development and well-being of our young men.

**MR WIKUS STRYDOM**
Mr Strydom joins us from Cape Town as our new Master-in-Charge of Sport. Mr Strydom holds an MSc in Sport Science (Cum Laude), specialising in High Performance Sport (Cum Laude), as well as a BA in Sport Science with Psychology. His professional experience includes serving as an Institute Manager and Video Analyst at an international rugby institute, complemented by extensive expertise in lecturing, coaching, sport management and performance analysis.

**TERM 3**

# FROM THE HEADMASTER

His wealth of knowledge, leadership and high-performance expertise will contribute significantly to the continued growth and development of sport at Selborne College.

**PREFECTS**
I would like to take this opportunity to congratulate the 2027 Custodian/Headboy, Riley Hansel, and the incoming Prefects, on their appointment as leaders for 2027. We wish them every success as they prepare to lead Selborne College.

**COMMUNITY & EVENTS**
Arbor Week - During Arbor Week, our Horticultural Society planted a selection of indigenous trees across the campus, helping to create a lasting legacy for generations of Selbornians to come.

Administrators' Day – Behind every successful institution is an efficient and dedicated administrative team. At Selborne College, our administrators are at the core of everything we do. On 4 September 2026, we thanked them for their dedication, organisation and commitment, which help keep the school running smoothly every day.

National Women's Day – On Friday, 7 August 2026, Selborne College staff were treated to warm hot chocolate and marshmallows as a special gesture of appreciation for Women's Day.

Bok Friday – On 21 August 2026, our learners and staff came together to celebrate and support the Springboks. Funds raised through our Civvies Day were donated to CATCH, a non-profit organisation operating near the Mzamomhle informal settlement in Gonubie.

**BLOOD DONATION**
A huge thank you to our Grade 10, Grade 11 learners and staff who made a difference by donating an incredible 63 units of blood on Monday, 17 August 2026. Well done to Fuller House for taking first place for the most units donated!

**INTERACT**
Our Interact Club continued to make a difference in our community service, throughout the term. The boys supported a number of local initiatives, including a visit to Breath of Life, where they spent time with the little ones, donated nappies and showed appreciation to the staff. The school supported St Bernard's Hospice through the Change for Change Coin and Copper Drive, and contributed warm clothing to the East London Children's Home as part of the Jersey Week Campaign in celebration of Nelson Mandela International Day.

Congratulations to Nico van de Venter on his election as the 2027 Interact President. We wish Nico and his committee all the best for the year ahead.

**INTERNATIONAL OPPORTUNITIES**
AFS Global STEM Academy Programme – During the June/July holidays, Kendall Klein represented South Africa as one of just 140 students selected from more than 5,000 applicants across 15 countries for a fully funded 2026 AFS Global STEM Academy Scholarship.

Kendall completed 12 weeks of online learning in Science, Technology, Engineering and Mathematics (STEM), sustainability, leadership and social innovation, followed by a four-week educational and cultural exchange in Natal, the capital of the State of Rio Grande do Norte, and São Paulo, Brazil.

A highlight of the programme was Kendall's team achieving an impressive second place in the final international project presentation, competing against six teams.

This incredible opportunity allowed Kendall to represent South Africa, build lifelong friendships and return home with a deeper appreciation for education and the power of STEM to create positive change.

**TERM 3**

# FROM THE HEADMASTER

**EXCHANGE STUDENTS**
At the end of Term 2, we welcomed Harry and Joe from Wrekin College in the UK. They enjoyed every minute of the daily life as a Selbornian, attending classes and involving themselves in the Rugby Programme and representing the school on a Derby Day.

At the start of Term 3 we welcomed MATEO CARRO-MARTINEZ and MARCO DENDURA MORENO from Spain, who joined our school community as part of an international exchange programme.

Recently we welcomed RICK CHUN from China, who arrived on 13 September 2026 and will spend the next nine months at Selborne College. Rick is being kindly hosted by fellow learner of the AFS Global STEM Academy Programme, Kendall Klein and his family.

We are delighted to share the Selborne College experience with our international visitors, giving them the opportunity to experience our school, culture and community while building friendships and memories that will last beyond their time in East London and South Africa.

**TERM 4**
As we approach Term 4, the school is already lively with anticipation as we prepare for two of our most significant events on our calendar, Prize Giving (Guest of Honour - Mr Bathandwa Mbadlanyana – Class of 2015) and Founders' Day 2026 (Guest of Honour – Dr Gary Bauer – Class of 1984), taking place in the first two weeks of next term. This cherished occasion promises to be another unforgettable moment in our 154 years'. An opportunity to remember our past, acknowledge our present, and hold hope for our future. It is a celebration not to be missed. ***Please find the schedule of events in a letter on our D6.***

To our Class of 2026, we wish you all the best as you prepare to write your final NSC examinations. We encourage you to approach the next phase of your journey with courage, confidence and integrity. **Reminder – Valedictory will take place on Tuesday, 3 November 2026 at 08h00.**

Our best wishes go to all the boys participating in tournaments and festivals during the course of the September school holiday.

Thank you for your continued commitment and support in all that we do as a school community.

Palma Virtuti

**Mr A C DEWAR**

## DRAMA

**REZA DE WET TIENERTONEELFEES 2026 - BLOEMFONTEIN (2 - 5 JULY)**

The Selborne College Dramatic Society took part in the annual Reza de Wet Tienertoneelfees in Bloemfontein in the July school holidays. Participation in this prestigious event is by invitation only - only 8 schools in the country are invited to participate.

This year our production HAPPY BIRTHDAY JABU received the award for the best newly written script, which places the script in the top position in South Africa.

Our boys each receive a certificate for participation. (These certificates are included with their ATKV Tienertoneel certificates for 'HAPPY BIRTHDAY JABU', except the following two boys)

## REZA DE WET FESTIVAL

| AWARD | NAME | FOR | RECEIVES |
|---|---|---|---|
| **PARTICIPATION IN A NATIONAL FESTIVAL** | Stephen Lukose | Participation | *1 x certificate* |
| | Ababalwe Mayekiso | Participation | *1 x certificate* |

**ATKV TIENERTONEEL – GQEBERHA (11 - 14 AUGUST)**

The Selborne College Dramatic Society took part in the national ATKV Tienertoneel with two productions this year. The productions were:

- **Seirenes** – written & directed by Liyabukwa Zondi - entered under the learner-only category
- **Happy Birthday Jabu** – written & directed by Ms. Jo Stemmet

The level of this national competition is extremely high, as productions compete against more than 200 other productions in different provinces. Awards are made according to the discretion of the adjudicators, who are professional theatre, film and television practitioners. Medals are awarded when a learner is selected as the winner in the province. ***In an unbroken streak of 11 years, Selborne College has placed among the TOP 3 in the province.***

| SEIRENES | | | |
|---|---|---|---|
| **AWARD** | **NAME** | **FOR** | **RECEIVES** |
| ***Each learner also receives a certificate of participation for the regional festival - they have been attached to their bundle of awards for this particular production.*** | | | |
